Assistant Principal

Teddy Adames  
Assistant Principal

Dear Carillon Elementary Parents:

It is with great excitement that I write this letter of introduction to you as the newly appointed Carillon Elementary School Principal for the 2021-2022 school year and look forward to working collaboratively with Dr. Windish and school staff towards a seamless transition. I have been fortunate to have 30 years of educational experience spanning grades K-8 with Seminole County Public Schools and I am elated to return to the city of Oviedo where I began my teaching career.

As a priority, I am committed to continue the legacy of success at Carillon Elementary by building strong relationships with parents, students, staff, and community partners.

We will continue the focus on fostering a nurturing safe environment for children, character education, 21<sup>st</sup> Century skills, implementing highly effective instructional strategies to maximize students' individual learning potential, and providing exciting and challenging enrichment opportunities for all students.

During the course of the year, it is my goal that we will work together to provide our students of the best possible opportunities in preparing them to be world-class citizens ready to master the challenges of the 21<sup>st</sup> Century with a solid foundation created here at our school. Towards that end, I typically spend the vast majority of my time interacting directly with students, teachers, and staff during instruction and school day.

It is an honor and privilege to build upon Carillon's success and the pillars of this community as Dr. Windish fondly described being "*caring, capable, connected, and contributing.*" I appreciate your hard work and dedication supporting our students and staff, particularly with the many challenges during the COVID-19 pandemic.

I look forward to meeting and welcoming all for an amazing 2021-2022 school year and wish you a safe and fun-filled summer break!

Sincerely yours,

*Alex Agosto*

Alex Agosto
